Rave reviews

"Keeping with our desire in creating 21st Century leaders, ELA has made a significant difference for our department, helping build both skills and relationships among leaders at all levels of the Department. ELA has been a key asset and strategic partner, especially during the transition to our new administration."

— Thomas Smith, Chief, Saint Paul Police Department

"Mr. Weinstein brought ethics from a lofty ideal to a pragmatic approach relevant to business management decisions. His background and experience provided insight and credibility to the presentation and launched many very interesting discussions. Of the many ethics courses I've attended, this one has been most applicable to what I really do in professional life."

— Margaret Wunderlich, CFO & EVP, Lerner Publishing Group

"Chad makes an ethics course into an inspiring and motivating experience."

— Member, Minnesota Society for CPAs
